To Whom It May Concern:

**Letter of Reference For: GROUP 92 MECHANICAL INC.**

Raimondo + Associates Architects Inc. have had the pleasure of working with Group 92; they have been involved in a number of projects in a sub-contracting role.

We have found their company representatives both on site and in the office extremely knowledgeable and co-operative through the course of these projects construction. We would not hesitate in recommending the use of this sub-contractor for any project you may be contemplating.

Should you require any additional information, please do not hesitate to contact the undersigned.

Sincerely yours,

RAIMONDO + ASSOCIATES ARCHITECTS Inc.

Emilio Raimondo
